To,
The Chairman and Managing Director
Transmission Corporation of Telangana Ltd
Vidyutsoudha, Hyderabad.
Sir,

Sub: TSPEA-Recruitment of Assistant Engineers in TSTRANSCO –
Requested –Reg.

TSPEA being a responsible Association sincerely working in the interest of development of the Power sector and welfare of the Members .As such the Association would like to submit the following in respect of recruitment of Assistant Engineers in TSTRANSCO.

It is a very well known fact that the last recruitment in TRANSCO took place in the year 2012. Even though number of sub-stations and several Circuit Kilometers of Transmission Lines are charged not even a single Assistant Engineer was recruited from 2012 to till date.The demand for supply of Electricity is continuously increasing and there is a continuous addition of capacity and network expansion, so the recruitment has to take place regularly keep in view of the above parameters. Recruiting Assistant Engineer's once in Two years that too in large number is not a healthy aspect in respect of HRD and the recruitment has to be done regularly once in a year as per the recruitment calendar. This aspect has been already brought to the notice of the Management several times by the Association.

It is also to bring to your notice that permission was accorded by the Government twice vide Ir.no.1962/Ser/2012 Dt.15.02.2013 and

G.O.Ms No.132 dated: 03.06.2013 for recruitment of Assistant Engineers. Recruitment of the AEs could not be taken up because of the prevailing uncertainty in the State at that time.

Now, the new State of Telangana with State Transmission utility TSTRANSCO is formed and there is every likelihood that TSTRANSCO would be facing severe shortage of Man Power which may affect the efficiency of the organisation as a whole. Also there is severe shortage of AEs at Headquarters as the total work load is to be shared by a few Engineers allotted to TSTRANSCO.

Apart from the above, around 125 nos vacancies already exist in TSTRANSCO. It would be very difficult to meet any type of exigencies arise because of bifurcation unless immediate recruitment is taken up by TSTRANSCO.

In view of the above and taking into consideration the permission readily available from the Government, this Association requests to issue notification for recruitment of AEs immediately without any delay to meet any exigency arise because of bifurcation.

G.Sampath Kumar
Secretary General
